

With sales of €33.3 billion in 2013, Continental is among the leading automotive suppliers worldwide. As a supplier of brake systems, systems and components for powertrains and chassis, instrumentation, infotainment solutions, vehicle electronics, tires and technical elastomers, Continental contributes to enhanced driving safety and global climate protection. Continental is also an expert partner in networked automobile communication. Continental currently has more than 178,000 employees in 49 countries.

Junior Software Developer for Infotainment Systems (Iasi)

Job Description

Our Software Developers for Infotainment and Connectivity have the chance to work at products for top of the range cars produced by the leading manufacturers on the market.

In their daily job our Software Developers are:

- Working with automotive gadgets and technologies of the future cars.
- Actively contributing in shaping the requirements, architecture and design of our systems.
- Learning and using state of the art software tools and hardware devices.
- Synchronizing with international teams from inside and outside the company.
- Working with real devices build in the car or with professional simulations.
- Training to master new technologies. A mentor will support you to stepwise take over own responsibility after an initial training phase which will familiarize you with our products, tools, processes and organization.

Job Requirements

In order to be successful in their job, our Software Developers have:

- Skills in C/ C++ programming languages.
- Knowledge of OOP concepts and/ or low level optimization techniques.
- Knowledge of embedded system architecture.
- Knowledge of design patterns.
- Good English skills in speaking, writing and listening.

Benefits

- Integration Program in a professional, young & dynamic team
- Competitive Salaries (based on performance) & Benefits
- Health & Wellness (Private Health and Life Insurance, Sport activities etc.)
- Professional Development Opportunities (in Technical and Managerial Area)
- Stability
- International Work Environment & Traveling Opportunities
- Relocation Package for non-Iasi Residents
