

Cu vânzări de 32.7 miliarde € în anul 2012, Continental se numără printre cei mai importanți furnizori auto la nivel mondial. Ca furnizor al sistemelor de frânare, al sistemelor și componentelor de propulsie și șasiuri, instrumentare, soluții infotainment, sisteme electronice pentru autovehicule, anvelope și elastomeri tehnici, Continental își aduce contribuția la siguranța deplasării și la protecția climei globale. Continental este de asemenea un partener expert în comunicarea auto interconectată. Continental are în prezent aproximativ 170.000 de angajați în 46 de țări.
