“... Fa din viata ta un dar. Aminteste-ti mereu ca tu *esti* darul! Fii un dar pentru oricine care-ti intra in viata si pentru oricine in a carui viata intri. Fii atent *sa nu intri* in viata altuia, daca nu poti fi un dar. (Tu poti fi intotdeauna un dar, pentru ca esti un dar – desi uneori nu iti dai voie sa stii acest lucru.)”
