- Work well in cross-functional teams
- Creative and self-motivated
- Software enthusiastic

## Why work for **US**?

- Professional growth opportunities
- Fun, positive atmosphere
- Trainings and certifications
- Premium health insurance
- Excellent remuneration & flexible schedule
- Active lifestyle advocates
- Team building & company events
- Modern office space

## About **US** and our **COMPANY**:

Imprezzio Global (Cluj, Romania) is the European branch of Imprezzio, Inc. (WA, USA). We are a rapidly-growing company, offering an informal environment dedicated to creativity, flow, and problem-solving. We are shameless technophiles who love to work on the bleeding edge of technology, have fun and improve our skills. We are serious about our work and values, but don't take ourselves too seriously. That's what makes Imprezzio Global such a great place to work. Since "A chain is no stronger than its weakest link" we carefully select our team members, every one of whom is an "A" player. Imprezzio offers a solid project docket with explosive opportunities, and needs core team members.

If we managed to catch your attention, send us your CV at [jobs@imprezzio.com](mailto:jobs@imprezzio.com).

*We are looking for candidates available to work in our office in Cluj-Napoca.*

*We offer relocation packages for candidates from other cities.*
